THE MELLWOOD RENAISSANCE

Spring Brings Growth and New Opportunities for Our Visitors

Mellwood's a-buzzing this Spring season with the opening of Danny Mac's Pizza Pub and Derby City Crossfit. It has also seen the arrival of new activity in our art gallery: The Pigment Gallery.

Located near our leasing

office, we use this space to display the works of new and upcoming artists in the area and give them exposure to all the eyes passing through our doors. We also rent this space for smaller functions like graduation parties, birthday parties, and baby showers.

Currently showing in the space is the work of photographer Colin Simmons. He's the godson of famous Kentucky photographer James Archambeault, who, like Colin, portrays the beautiful tranquility and identity of

the Bluegrass State in each shot.

Coming in August, we will also be displaying the works of abstract expressionist Michael King. This exhibit will run from August 20th through September 30th.
